About NHU

New Horizons Un-Limited (NHU) is a Milwaukee-based, non-profit, 501 (c) 3 organization serving individuals with lifelong disabilities and their families since 1994.

New Horizons Un-Limited has two basic goals.

- To make accessible to the disabled the opportunity to experience the beauty and wonder of life with dignity as an equal member of society.
- To bring society to respect, value and welcome the disabled into the community-at-large and accept the participation of the disabled in all the infinite experiences of daily living.

To achieve our goals...

- We have created an on-line resource to make information on the many issues of daily living accessible, to make the sharing of daily living experiences possible and to create a virtual community where individuals can support each other by sharing solutions to common problems.
- We have established, via community partnerships, computer training programs and a computer refurbishing and redistribution program to make technology accessible to people with disabilities.
- We have sponsored the construction of accessible cabins in state parks to allow individuals to enjoy nature and the outdoor experience.
- We have sponsored sails for the disabled on a tall ship to challenge both mind and body.

The Outing

We have a fun-filled day planned, complete with pre-golf contests, a scrumptious lunch, a variety of challenging on-course events, an after-round banquet and awards presentation and of course lots of laughs and an opportunity to catch up with friends and colleagues.

So, why not grab a few friends, get a foursome together and join us, in support of our disability community, for a fun, laid-back time!
