New Horizons Un-Limited

We believe that success comes in many forms. Through our programs, we work alongside our family, friends and neighbors with disabilities as they identify and capitalize on their unique strengths and move towards their version of success.

More specifically, we provide:

- Customized computer skills training and support
- Access to refurbished computers for personal use and continuing education
- Temporary Work Experiences and professional mentoring
- Advocacy through the sharing of information and experiences

We hope that you see what we see: people with disabilities have a lot to contribute. They just need the opportunity to do so.

Please join us in supporting our hard working community members with disabilities as they reach for their goals!
