

NEW HORIZONS UN-LIMITED INC.

Serving Our Community Members with Disabilities Since 1994

Re: Raffle/Silent Auction Donation Request

Dear Friend,

I am contacting you on behalf of New Horizons Un-Limited (NHU), a Milwaukee-area non-profit organization that, since 1994, has worked to improve the lives of our community members with disabilities in Southeastern Wisconsin.

We are a grassroots organization that relies 100 percent on the support and generosity of community-minded individuals and companies, like yours! For the past 24 years we have stood by our community members with disabilities as they strive to improve their lives through technology, training and lifelong learning.

We have several fundraising events planned for 2018 and I am hoping that you are in a position to support our mission with a contribution to one, or both, of our events.

Our first event, our **17th Annual Raffle and Silent Auction**, is planned for **March, 2018** in the public Galleria of the US Bank Center in downtown Milwaukee. Our highly anticipated event draws hundreds of participants from Milwaukee's fastest growing corporate hub.

Our second event, our **16th Annual Benefit Golf Outing** will be held the first week of **June, 2018** at Hawk's View Golf Club in Lake Geneva, Wisconsin and is host to more than 100 professionals from the Greater Milwaukee and Greater Chicago areas.

Through your contribution you will be supporting access to one-on-one career mentoring and hands-on training, computer literacy and grants, advocacy, information and referral, and more.

In recognition of your contribution, your company's logo will be prominently featured in our digital donor presentation, which is seen by our event participants, and posted on our nationally accessed website – www.new-horizons.org. We would also be happy to display any other promotional literature that you provide with your donation.

Beyond this recognition however, you will be making an investment in the futures of our community members with disabilities! Your contribution will support the making of future advocates, college students, professionals, and most importantly independent, confident citizens!

I hope that we can count on you to contribute to the future success of our community members with disabilities!

If you have any questions, please feel free to contact Lori, the Event Manager, via e-mail, potrykus@new-horizons.org, or via phone, (414) 299-0124.

Sincerely,

NHU Volunteer
