

NEW HORIZONS UN-LIMITED

Your support will help us bring greater awareness of, and a community voice to, the issues affecting so many individuals and families experiencing disability.

We believe that change starts with connection and the sharing of common (and uncommon) experiences. In 2024 we look forward to connecting with and sharing the important stories and experiences of disabled individuals and family caregivers.

As we enter our 30th year of service, we stand proud knowing that we have so many committed allies on our side ensuring we will reach a time of inclusivity and opportunity for all.
