Cardholders receive a bonus back on the card in the amount of up to 5% of all signature-based purchases made at participating merchants, as listed at [www.fivebackgift.com](http://www.fivebackgift.com). PIN-based purchases, purchases made at participating merchant locations outside of the U.S., and purchases of gift cards made with this card, may not be eligible for 5% bonus calculations. The Award Sponsor will calculate earnings on a purchase by purchase basis and will round earnings amounts to the nearest whole cent (with amounts below half a cent being rounded down and amounts of half a cent or more being rounded up). Earnings generally will be added to your Card balance within 48 hours of the purchase. You can continue to earn money back until the balance on your Card is less than 10 cents. At that point, you will stop earning money back (because 5% of an amount less than 10 cents is less than half a cent, and the Award Sponsor rounds earnings to the nearest whole cent). If you return an item on which you earned money back, the Award Sponsor reserves the right to deduct the money you earned from your Card balance. The 5% Back Bonus offer is provided by the Award Sponsor and is not provided or endorsed by MetaBank®. This card is issued by Metabank®, member FDIC, pursuant to a license from Visa U.S.A. Inc.
